

Many of us feel constant pressure to mask and curate who we are—to perform as someone we're not rather than be who we are. And it hurts us. But we don't need to live this way.

With *We've Got This*, Ritu Bhasin, an award-winning and globally recognized DEI and empowerment expert, does two important things:

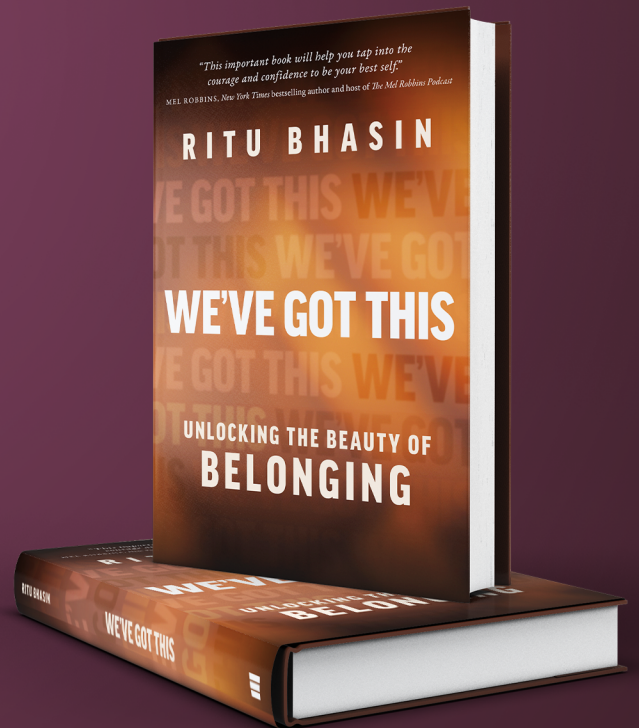

- she delivers a much-needed guidebook on how to heal, thrive, and stand in your power in the face of hate and hardships, and
- she offers leaders an opportunity to become better allies by practicing empathy and learning about the barriers to belonging

Through Ritu's messages, she reveals how to unlock belonging—for yourself and for others. Combining empathy, humor, and research with life-changing wisdom and savvy, *We've Got This* is the guide for finding belonging and joy that readers from across backgrounds have been waiting for.
